Some groups or businesses may call this an annual report.

We call it a Gratitude Report.

When going over all of our financials and the many generous gifts we received in 2019, we realized that **YOU** are what we are most grateful for.

Whether you attended an alumni event, donated to a our teacher grant fund, funded a scholarship, helped a family through Lindbergh Lights the Way, participated in a mini-auction, came to our Community Breakfast or donated of your time and talents...

You are so very appreciated by the students and teachers at Lindbergh Schools!

We look forward to showing you how your investments continue to touch lives in the years to come.

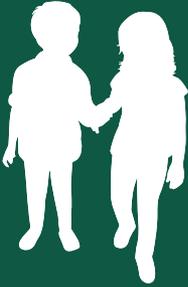

We hope you enjoy reading about all of the wonderful things you helped us accomplished in 2019, and for your convenience, we have included a summary of your giving in 2019 for your records. Please feel free to reach out if you need any further information.

Thank you, from the bottom of our hearts, for your support in 2019.

INVESTING IN DREAMS THAT BECOME OUR FUTURE

More than 300 community members, volunteers, local businesses, alumni, Lindbergh Schools staff and current students attended the Foundation's inaugural Community Breakfast on September 6, 2019. The event raised more than \$27,000 for the Alumni Association, Lindbergh Lights the Way, History Alive, teacher grants and LHS scholarships.

The theme was "Investing in dreams that become our future." The Foundation asked Lindbergh students, "What do you want to be when you grow up?" Then, they matched three students with LHS alumni who serve the Lindbergh community in those careers.

Lindbergh Lights the Way

Our partner program, Lindbergh Lights the Way is doing amazing things to meet the needs of our Lindbergh Community!

- During the summer of 2019, more than 2,100 lunches were delivered to children in need, through the Summer Café Program
- This holiday season, more than \$4,000 was raised during the Utility Collection program -- with all funds going to help families in crisis with their utility expenses.
- LHS 2019 graduates were provided essential school supplies, personal care items, and dorm supplies. These students otherwise would not be able to purchase these items for themselves.

OUR MISSION
