**LINDBERGH SCHOOLS
FOUNDATION**

Some groups or businesses may call this an annual report. We call it a **GRATITUDE REPORT**.

Gratitude. It can be hard to embrace gratitude in the midst of what loss and hardship the year of 2020 has brought to our lives.

So, we ask you, is there a place for gratitude amid all of this loss? **YES, THERE IS.**

In fact, we need to be more intentional now than ever about finding and identifying gratitude in our lives.

*"When we focus on our gratitude,
the tide of disappointment goes out
and the tide of love rushes in." —Kristin Armstrong*

Because of **YOU** and your generosity, it wasn't difficult for the Lindbergh Schools Foundation to name loads of things about 2020-21 that we are grateful for. **YOU** being at the very top of our list!

Whether you attended an alumni event (pre-pandemic), donated to our innovation grant fund, funded a scholarship, helped a family through Lindbergh Lights the Way, participated in a mini-auction, sipped wine with us during our virtual wine tastings, or donated your time and talents... **YOU** are what makes everything the Foundation does possible.

We look forward to showing you how your investments continue to touch lives in the years to come.

We hope you enjoy reading about all of the wonderful things you helped us accomplish during the 2020-21 school year. Please feel free to reach out if you need any further information.

Thank you, from the bottom of our hearts, for your support.

INNOVATION GRANTS

A NEW WAY OF TEACHING MEANS A NEW WAY OF GRANTING

The Lindbergh Schools Foundation teacher grant fund changed with the 2020-21 school year! The fund still supports grants for Lindbergh Schools teachers who propose innovative and engaging classroom projects that elevate instruction and learning to the next level, but now staff can apply at any time during the year for up to \$500. The grants are reviewed weekly, and once approved, items are ordered and sent straight to classrooms. Since 2008, the foundation has awarded 337 grants totaling more than \$143,000.

\$30,139

to Lindbergh Classrooms

During the 2020-21 school year, the Lindbergh Schools Foundation continued its annual support of original, innovative teaching ideas, funding 70 grants totaling \$31,139.

Lindbergh Schools FOUNDATION SCHOLARSHIPS

SCHOLARSHIPS

In 2021, 58 students received a total of \$75,300 in scholarships to help them further their education. The original LSF General Scholarship is awarded each year to the student who, based on his or her application essay, has overcome the most significant challenges and hardships during high school. Additional scholarships are established by or in the name of former administrators, teachers, coaches and alumni.

Thank you so much for organizing so many scholarship opportunities for us. It means a lot to have people so dedicated to better my education. I don't feel as confident in my journey without your aid and encouragement. Your work in the Lindbergh seniors and Lindbergh community is highly appreciated. I hope to be able to give your organization in my future. I'm so grateful for a scholarship.

Thank you for all that you do,
Lily Jiang

LHS Alumni Association
Thank you for awarding me with a scholarship, it was so helpful. In the fall I will be attending the University in Mongolia. I plan to help in my education. Lindbergh is a huge part of my life and I hope to be a big role in shaping me into who I am today. Although I am graduating I know my always be one of the best of my mom very honored the time of everything.

Thank you for choosing me as the first recipient of the \$1,000 Sharon Hesser Memorial Scholarship. I am preparing to attend State Technical College of Missouri in Linn for Information Technology. With the \$1,000 I received, I will be able to purchase necessary materials such as books, equipment and other technology that will help continue my education and success for the future. I can't thank you enough for helping make my dreams a reality.

FOUNDATION JUNIOR BOARD

HIGH SCHOOL STUDENTS WITH A HEART FOR SERVICE.

The Foundation Junior Board is assembled of young leaders that will work on mission-critical initiatives that **they help to identify**.

The junior boardroom will offer a training ground for:

- Learning business and non-profit development skills
- Learning about philanthropy
- Gaining hands-on experience in identifying community problems, and creating the solutions
- Learning the mechanics of managing a nonprofit
- Learning together about grantmaking and grant funding
- Developing personal and professional skills that will prepare them for future board service and careers

The students had their first meeting in May, and attended a retreat in June. They are currently working on creating their mission, goals, committees, and will elect their executive board at their next meeting.

Our hope is that this board will provide high schoolers with the opportunity to develop their own talents, while learning to help others!

Lindbergh Lights the Way

*With **your help** and **generosity**, our partner program, Lindbergh Lights the Way continues to do **INCREDIBLE** things to meet the needs of our Lindbergh Community!*

SUMMER CAFE PROGRAM:

Did you know? There are over 700 Lindbergh students who depend on free school lunches during the school year. Sometimes these lunches are the **ONLY** meal they get during the day. What happens over the summer? Lindbergh Lights the Way delivers meals, including fresh produce, to over 100 Lindbergh students once per week throughout the entire summer. Thank you to all of our supporters for donating to help with the cost of these meals.

HOLIDAY SEASON:

Thank you to everyone that contributed to our Holiday Utility Campaign! These funds are utilized throughout the entire year for Lindbergh families who find themselves in a critical situation. Our community's support has enabled us to give 46 families utility support this winter.

We would also like to thank everyone who helped support our Giving Tree Campaign. With your help, we provided clothing, toys, games, gifts, personal care items, gift cards for gifts, groceries, and gas to 51 families, and were able to help two elementary schools who needed a little help fulfilling their own Giving Tree wish lists. The remaining funds were used to support families who needed immediate help with utilities. We are also grateful to our volunteer drivers who delivered these items to our families.

NEW SCHOLARSHIP:

Lindbergh Lights the Way was able to award its first ever student scholarship this year. The \$500 scholarship is awarded to graduating Lindbergh students who have demonstrated their commitment to serve others, are continuing their education and training in a philanthropic field of study or work, and are in need of financial assistance.

COLLEGE KICKSTART:

Thank you to everyone that contributed to our College KickStart Program! We were able to help 19 students by gifting them with \$3,000 in supplies and gift cards each. This program provides essential school supplies, personal care items, and dorm supplies to qualified Lindbergh graduating seniors who are continuing their education in the fall, and who otherwise would not be able to provide these items for themselves. We help students make the experience of transitioning to college or technical school as smooth as possible.

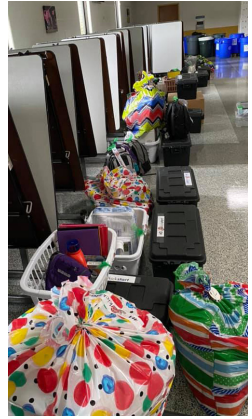

STUDENT ACTIVITY SUPPORT:

Each year, Lindbergh Lights the Way works with school counselors, social workers, coaches, and teachers to assist students with costs associated with district activities.

This year we were able to help with costs for many things, such as:

- Football Fees
- Cheerleading Fees
- Instrument Fees
- Enrichment Class Fees
- And much more!

We are so thankful for your year-round support of our programs!
